Clark Kerr Campus Garden

- ~ 1 mi.
- .0054 ac.
- Clark Kerr, Cal Dining

~195 lb harvest
monthly workshops
bushes, herbs, flowers

B engaged!
Next Steps
How We Did It
Starting questions

• What barriers do you face to building an equitable and inclusive food system at your institution? These can be systemic, institutional, cultural, and/or interpersonal barriers.

• What successes might you highlight?

• Where are your resources? People, funding, institutional support?
Thank you!
